

Setting Up Bank Accounts at Regions Bank & Dinner Out at American Pie Pizza

Date: November 6, 2008
Where: Regions Bank & American Pie Pizza – Hunter’s Creek
Purpose: Setting Up Bank account & Dinner Out
Time: 6:00 PM
Address: 13700 South John Young Parkway
Orlando, FL 32837
Skills: Setting up bank account (savings or checking)
Ordering checks/deposit slips/ATM
Appropriate social interaction with bank staff
Appropriate ordering off of menu
Appropriate table manners
Appropriate social interactions with peers

1. The bank will be open special hours to accommodate our group.
2. Participants will need to wait their turn in the lobby using appropriate voices.
3. Participants will need to appropriately interact with bank employees. This will include opening up their own bank account (either checking or savings), ordering ATM cards, checks, deposit slips, etc.
4. Participants will be required to show picture id and social security card during this process. NOTE: This is a great time to teach our kids about the use of wallets and the need for photo id.
5. Both the checking and savings accounts are free to all individuals under 18 years old. There is free checking for those over 18.
6. Participants will need to determine how much of their money they would like to deposit into the bank when opening the account and complete a deposit slip to open the account.
7. A ledger or bank book will be given to each participant so that they can monitor their deposits and withdrawals.
8. Once every one has set up their bank account, we will then head over to American Pie Pizza for dinner.
9. Participants will be expected to order their meal, use appropriate table manners, and use appropriate social interactions with their peers.
